

## RECRUITMENT SERVICES

---

### What makes TSU Recruitment Unique

Our own internal and specialized Recruitment Department was established in 2014 as recruitment requirements to cater for the special operational needs of our clients dictated an out of the ordinary and specialized recruitment process. We offer a reliable recruitment service for sensitive and important security vacancies and manage your entire hiring process in such a way that it is cost effective and guarantee legal compliance.

### Criminal Checks

For your convenience we come to your premises to do Criminal Checks using AFIS (Automated Fingerprint Identification System), do skills testing, Certification and Qualification verification.

### Staffing Projects

We fully understand the importance of staffing projects that requires highly qualified and competent professionals. Our Recruitment Department is devoted to achieving service excellence and if you require a skillset, we do not traditionally provide, we will go the extra mile to find you the candidates with those specific skills.
