

TSU PROTECT

TSU Protect for personal use

TSU Protect turns your smartphone into a personal safety device, so you can stay safe wherever you are. TSU Protect combines the convenience of your personal phone with the safety and security services you have come to expect from TSU.

Children & Teens

- Stalking / Domestic Violence Victims
- Stealth Alarm discreetly raises an alert with the TSU Monitoring Centre
- Silent Alert allows you to get help simply by pressing the volume key on your phone.

Athletes

- AM Security Protect provides extra protection for athletes on the go.
- Man-Down will detect when you have fallen or stopped moving.
- Journey keeps you safe whilst moving between two points.

Neighborhood

Your contacts are notified immediately by SMS and email, so you can get help from TSU and members of your community within seconds.

TSU Protect Corporate Use

Keep your employees safe with TSU Protect.

TSU Protect is fully supported by TSU's award winning security services, so employees receive support when they need it 24/7, 365 days a year. TSU Protect can be used on personal and/or work smartphones, so there's no need for your employees to carry additional devices. The TSU platform is currently being used by:

- Banks, Financial Institutions & Multinational Companies
- Hospitals & Medical Practices
- Schools & Universities
- Utility & Facility Management Companies
- Construction Workers & Field Engineers
